Visits to the Schools

The Board of Education and staff of the school system welcome and strongly encourage members of the community and other interested persons to visit the schools. School improvements often come from suggestions originating in such visits.

The Superintendent of Schools is authorized to establish such regulations as will:

1. Encourage visitors to observe our schools.
2. Require all visitors to register in the office of the Principal upon their arrival at the school.
3. Channel expressions of approval as well as constructive criticism to the Board of Education.
4. Ensure that such visits will enhance the effect of the educational program rather than hinder it.
5. Provide for appropriate hospitality for visitors.

Although Board of Education members are encouraged to visit schools independently, they have authority only in regularly called meetings of the Board of Education, or when delegated specific tasks by Board of Education action.
