Surrogate Parent Program

Any student considered by the school system to require special education and whose natural parents are unavailable as defined by law, or who is a ward of the State, or such child is an unaccompanied and homeless youth, as defined in 42 USC 11434a, may be provided a surrogate parent appointed by the Commissioner of Education in the manner provided by law.

The function of the surrogate parent will be to act as the child's advocate in the educational decision-making process, which includes all special education identification, evaluation, placement, hearing, mediation and appeal procedures conducted for the student.

In addition, the surrogate parent will also act as the child's advocate in the evaluation and planning procedures available to children under Section 504 of the U.S. Rehabilitation Act.

Surrogate parents will be informed, by the Board as are regular parents, annually of Board policies regarding student conduct and discipline and if the Board suspends or expels a child for conduct that violates Board policy and seriously disrupts the educational process, for carrying a weapon or for selling or distributing drugs.

The law makes provisions whereby a parent or legal guardian or the student for whom a surrogate parent has been appointed may contest the surrogate parent appointment.
