

CLMS Identification Cards

Personal ID cards have been created for all students! They were distributed today. Last year's ID cards may be kept for a memento or discarded! Only 2011 ID cards will be valid starting Oct. 19th. It is important for each student to keep track of his/her ID card as it will be needed for the following school-related functions:

- To "swipe" at the register in the lunch-line (Students without ID cards must wait at the end of the line for assistance.)
- To purchase dance or activity tickets
- **To enter a dance** or activity event
- To sign-in to the library

Treat your card with care. ID cards that have been defaced, cut into, or drawn on will not be accepted. Your picture, your name and the bar code must be visible and in perfect condition!

Students may wear the ID on a lanyard (issued in 6th grade) or keep it in a pocket but they must have the ID card with them every day. We'd suggest leaving it in your locker at the end of the day or putting it right into your backpack at the end of the day so that it's handy for the next day!

The cost is \$3.00 for a lost, de-faced, or torn card. See Mrs. Bayreuther or Mrs. Lewis in the library to request a replacement. It will take 48 hours to receive the replacement card.
