

## HOW DO I CHECK MY CHILD'S LUNCH ACCOUNT BALANCE?

Did you know you can check your child's lunch account balance and get low balance notifications by email? You do not need to use a credit card or checking account to access your student's lunch account. All you need is the student's ID number! Just log onto [www.mealpayplus.com](http://www.mealpayplus.com) and set up an account. This is FREE! It will allow you to track what your child is eating, the available balance on their account, and will even notify you by email when the account reaches a balance which you set! Follow these easy steps:

Log onto [www.mealpayplus.com](http://www.mealpayplus.com)

Create an account (if you don't know your child's student ID#, call Food Service at 860/444-5862)

From the main screen, you can view your child's balance and/or view purchase history

Go to **-preferences - manage notifications-** to set up your low balance email notification

Any questions, call the Food Service Department at 860 444-5862
