

Waterford Public Schools offers an Early Childhood Screening that can be of great value to your child's educational development. We invite your child to participate in this program prior to entering Kindergarten.

The assessment program is conducted for all children between the ages of three and five. Once your child has completed the assessment successfully it is not necessary for him/her to return.

Please call Oswegatchie School at 860-442-4331 to schedule an appointment.
