

The Waterford Public School Mobile App

To install the Waterford Public School's Mobile App on your Smartphone, navigate to www.waterfordschools.org on the internet from your smartphone.

Along the top of the screen you will see the **Schoolwires Mobile** logo and a **View** button. Tap on the **View** button.

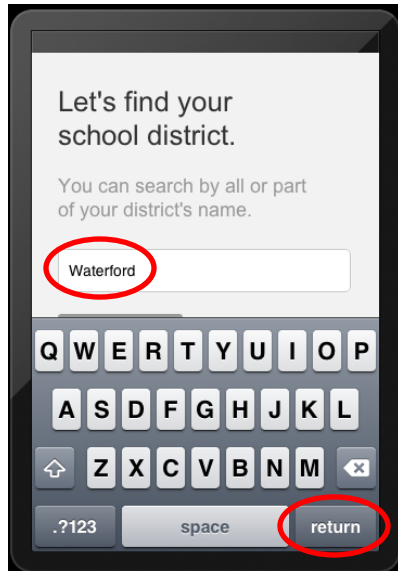

The **Schoolwires Mobile** download page opens. Click on the download icon, to install **Schoolwires Mobile**. **Schoolwires Mobile** downloads and places a **Schoolwires** icon on your desktop.

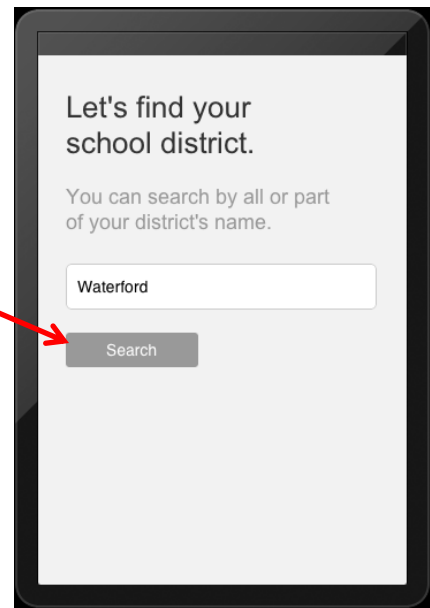

Navigate to your home screen & tap on the newly downloaded **Schoolwires** icon.

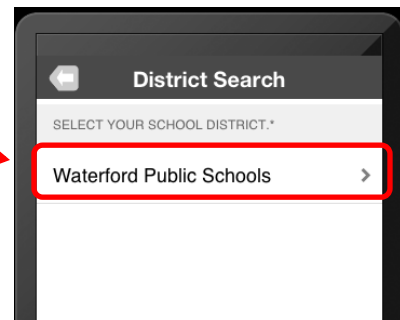

A **'Let's find your school district' screen opens'**. Type **Waterford** in the Search field and tap **return**, to hide the keypad.

Tap on the **Search** button.

Select **Waterford Public Schools** from the resulting screen.

The **Waterford Public Schools mobile app** is now installed on your mobile device. From this point forward, when tapping the **Schoolwires** icon on your desktop, it will open the **Waterford School District Mobile app**. The first screen displays information pertaining to the **School District**.

The 2nd page displays information pertaining to **Waterford High School**.

The 3rd page displays information pertaining to **Clark Lane Middle School**.

The last page displays information pertaining to the 3 elementary schools; **Great Neck, Oswegatchie & Quaker Hill**.
