

<b>TRANSPORTATION .....</b>	<b>\$2,341,950</b>
-----------------------------	--------------------

Pupil Transportation – Regular and Special Education

- This budget is based on twenty-five (25) buses for our regular education transportation, nine (9) Type II, Special Education buses, three (3) of which are wheelchair equipped. This includes transportation for the Magnet School, Grasso Tech, Norwich Tech, Ledyard Vo-Ag, The Friendship School, The New London Science and Technology Magnet School, and the Dual Language Arts Academy students.

Diesel Fuel

- The cost of diesel fuel under our transportation contract with First Student (formerly Laidlaw) is borne by the Board of Education. Per Board of Finance guidelines, this account is budgeted at \$2.72 per gallon.
